Submitted April 17, 2018
CIK No. 0001733298

Dear Mr. Li:

We have reviewed your amended draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Overview, page 1

1. We note your response to prior comment 3 where you state that "the Company's user acquisition cost is lower than the cost it believes it would have incurred for relying on online advertising to acquire users." (emphasis added) Each statement or assertion of opinion or belief must be clearly characterized as such. Please revise your disclosure accordingly.

Our current dependence on a limited number of customers...", page 19

2. We note your response to prior comment 9. We are unable to agree with your analysis that your agreement with your largest customer, a third-party advertising platform, which contributed 44% of your net revenue for the year ended December 31, 2017 is not one upon which the company is substantially dependent within the meaning of Item

601(b)(10) of Regulation S-K. Accordingly, please file the relevant agreement(s) as an exhibit to the registrant statement and/or supplementally provide us with the revenue for the customer as a percentage of net revenues for the three months ended March 31, 2018.

Additionally, we note your disclosure on page 75 where you state that you acquired an advertising agent in February 2018. With respect to your largest customer and Shanghai Dianguan, please revise to provide the information required by Items 4.B.6, 5.A. and 5.D of Form 20-F, including a discussion of material terms of related agreements. Finally, please consider identifying, here and on page F-36, your three largest

customers that
account for a significant percentage of your net revenues and/or
accounts receivable, as
applicable.

We rely on contractual arrangements with our consolidated VIE..., page 35

3. We note that the VIE agreements contain provisions for the resolution of
disputes
through arbitration pursuant to PRC laws. Please expand your disclosure
to discuss the
impact, if any, of these provisions on shareholders' rights to pursue
claims under the
Unite States federal securities laws.

4. We note your responses to prior comments 12 and 13. We may have
additional
comments when you update your filing for the fair value of ordinary
shares in a
subsequent submission.

5. We note your response to prior comment 14. Please revise to provide
price and volume
disclosures such as the number of paid clicks or impressions and average
cost per click or
per thousand views for each period presented, and include an analysis of
any trends or
uncertainties. We refer you to Part I, Items 5A and 5D of Form 20-F and
Section III.B of

Industry Overview

Description of American Depositary Shares, page 152

6. We note from your risk factor disclosure on page 54 that the deposit
agreement contains a
provision that permits the depository to elect to resolve any dispute
under the deposit
agreement through arbitration. Please expand the description of the ADSs
to clarify
whether, and if so how, this provision affects the rights of your ADS
holders to pursue
claims under United States federal securities laws.

Note 19. Subsequent events, page F-46

7. We note your response to prior comment 24. Please revise to clarify
whether you will
recognize US\$128.4 million as compensation expense during the quarter in
which this
offering is completed. In this respect, we note from your disclosures
that prior to the end
of the vesting periods, all the remaining restricted shares shall vest
immediately and no
longer constitute restricted shares upon a Deemed Liquidation Event or
IPO.

8. We note your response to prior comment 25. Please explain in greater
detail the terms
and conditions associated with the cooperation agreement. In this
regard, tell us how
long the cooperation agreement will remain in effect and describe the
payment terms
associated with the service fee. Clarify the portion of your response
that indicates the
investor will charge you on a cost per time basis.
